Navigator's Rants: "All hands on deck"...this saying has lots of meaning. First off, our annual Frydek "Spring Fling" Golf Tournament and our only fund raiser of the year is this Friday, April 15th. We need your help setting up, cooking, providing hole sponsorships, recruiting golf teams, cleaning up after the event and/or providing monetary support. The monies raised support our charitable events for the entire year. The second significant "all hands on deck" meaning comes from our Disciple Force contribution that we made at our last meeting. Fourth Degree is to encourage active Catholic citizenship and foster the spirit of patriotism in members and the community at large. I recently received pictures from the crew of the USS Ronald Reagan who enjoyed care packages that we helped support. I personally attended a Disciple Force meeting tonight at Sacred Heart Catholic church in honor of four current military personnel. One of the honorees was a USS Ronald Reagan crew member, Simone Cruz. She is on weekend leave visiting her family. Simone thanked all of us for our contribution. Her message to us from her crew was, "The packages were amazing!!!" Her whole division was able to receive a care package. Little things like tooth paste, shampoo and conditioner and wet wipes really do wonders to boost morale. Crew members usually work 16 hour shifts. I left with a great feeling of pride in how our assembly had assisted our current military personnel in a positive way. The third significant "all hands on deck" meaning goes out to our St. Mary's Fourth Degree Assembly. We had one of our turn-outs of the year on Holy Thursday and the following individuals participated: Val Eschenburg, Pat Cieslewitz, David Ondruch, JR. Sodolak, Shane Eschenburg, Bennie Ondruch, H.C. Grimet, Hervey Vaclavik and Gene Eschenburg. Thank you for supporting our assembly and Frydek Parish. Once again.....I'm so proud to be associated with all of my wonderful Frydek brothers in Christ.
