**Navigator's Rants:** Have you ever been discouraged? Have you ever been knocked down? These are the questions that I think about as I watch the Rio Olympics. How many times do you think these Olympic athletes felt discouragement or defeated? I'm sure these world class athletes have felt discouragement from time to time, but they all have "PERSEVERANCE".....the steady persistence in a course of action, a purpose, especially in spite of difficulties, obstacles, or discouragement. We, too, face difficulties in our own lives but it is our Faith that gives us our perseverance. We know that God is with us during each season in our life, through the good times and the bad. Just like the athletes, our Faith grows stronger each time we call on the Lord to help us persevere through the hard times. It is during these difficult times that we prove our worthiness to the promises of Christ by maintaining a constant Faith in Him. With Faith, there is no need to feel discouraged or defeated. Our ultimate goal is not a gold medal, but to win eternal salvation. We will win our place in Heaven with perseverance in our Faith. So the next time things are getting you down, use your Faith and PERSEVERE!
