**KC INSURANCE**

**One of our founding goals: To protect widows**

As a member of this council, you know how important spouses can be to the charitable works of the Order. If you're married, your wife is probably involved in a few of the many events that happen each fraternal year. This support adds great value and impact to what a council can achieve.

When the Order was founded in 1882, Father Michael J. McGivney and the other brave men were setting out to protect Catholic families, but especially wives and children. As it was then our products today are designed with your needs and budget in mind. With a solid portfolio of life insurance, long-term care, and retirement products, the Knights of Columbus can help you meet all of your present and future financial goals. To learn more about these solutions, contact me today.

**GRAND KNIGHT'S CORNER**

I would like to thank Jim Havel for leading the council as grand knight for the past year. THANK YOU JIM! Fiscal year 2017 has ended as we start another fiscal year; I hope that all the support of the Frydek KC membership continues as in the past. We have our biggest fundraiser of the year coming up with the barbeque cook-off and gun raffle. Joey Pekar has the raffle tickets printed and are ready for pickup. See Joey at our August meeting and pick up tickets and begin selling. I know all are busy this summer with vacations and summer activities but please do not forget about our KC meetings. The more members in attendance at the meeting, the better the meetings will become. I look forward to another good year of successful fundraisers to continue with the charitable causes of our members, church and surrounding community.
